Case No. **24STCV21642**

COMPLAINT

INTRODUCTION

1. Defendant manufactures and sells cookies ("the Product"). To increase profits at the expense of consumers and fair competition, Defendant deceptively sells the Product in oversized packaging that does not reasonably inform consumers that they are mostly buying air. In short, Defendant dupes consumers into paying extra for empty space.

2. Several state and federal courts have found that cases involving materially identical claims are actionable and meritorious. *See, e.g., Reyes v. Just Born, Inc.*, - F. Supp. 3d -, 2024 WL 1748629 (C.D. Cal. Apr. 8, 2024) (Vera, J.). *Coleman v. Mondelez Int'l Inc.*, Case No. 2:20-cv-08100 (C.D. Cal. July 26, 2021); and *Thomas v. Nestle USA, Inc.*, Cal. Sup. Case No. BC649863 (April 29, 2020).

3. The below pictures illustrate the deceptive nature of the packaging and the substantial non-functional slack fill inside the package. In summary, actual product occupies only a fraction of the exterior space represented by the package:

PARTIES

1
2 4. Plaintiff is a resident of California. Within the statute of limitations period, Plaintiff
3 purchased the Product for personal use. In making the purchase, Plaintiff relied upon the opaque
4 packaging, including the size of the package and product label, and that was designed to encourage
5 consumers like Plaintiff to purchase the Product. Plaintiff understood the size of the package and
6 product label to indicate that the amount of product contained therein was commensurate with the size
7 of the package, and would not have purchased the Product, or would not have paid a price premium for
8 the Product, had plaintiff known that the size of the package and product label were false and
9 misleading. Plaintiff intends to purchase the Product in the future but cannot reasonably do so without
10 an injunctive relief order from the Court ensuring Defendant's packaging, labeling, and filling of the
11 Product is accurate and lawful, at which point Plaintiff will reasonably be able to rely upon
12 Defendant's representations about the Product.

13 5. Defendant sells the product directly via its website as well as through its agents to
14 consumers nationwide, including in California. Defendant has substantial contacts with and receives
15 substantial benefits and income from and through the State of California.

JURISDICTION AND VENUE

16
17 6. As a court of general jurisdiction, this Court has jurisdiction over all claims presented
18 to it.

19 7. Defendant is subject to jurisdiction under California's "long-arm" statute found at
20 California Code of Civil Procedure section 410.10 because the exercise of jurisdiction over Defendant
21 is not "inconsistent with the Constitution of this state or the United States." Indeed, Plaintiff believes
22 that Defendant generates a minimum of eight percent of revenues from its website based upon
23 interactions with Californians (including instances in which the website operates as a "gateway" to
24 sales), such that the website "is the equivalent of a physical store in California." Since this case partly
25 involves illegal representations and sales from Defendant's operation of its website targeting
26 Californians, California courts can "properly exercise personal jurisdiction" over the Defendant in
27 accordance with the Court of Appeal opinion in *Thurston v. Fairfield Collectibles of Georgia*, 53
28 Cal.App.5th 1231 (2020).

1 8. Venue is proper in this County.

2 **FACTUAL BACKGROUND**

3 9. While the amount of product inside any product packaging is material to any reasonable
4 consumer seeking to purchase that product, over 60% of consumers report that they have been misled
5 by food packaging and labeling.¹ The average consumer spends only 13 seconds deciding whether to
6 make an in-store purchase;² this decision is heavily dependent on a product's packaging, including the
7 package dimensions. Research has demonstrated that packages that seem larger are more likely to be
8 purchased because consumers expect package size to accurately represent the quantity of the good
9 being purchased.³

10 10. Defendant chose a certain size package for its Product to convey to consumers that they
11 are receiving an amount of product commensurate with the size of the package.

12 11. Slack-fill is the difference between the actual capacity of a package and the volume of
13 product contained therein. Nonfunctional slack-fill is the empty space in a package that is filled to less
14 than its capacity for illegitimate or unlawful reasons.

15 12. Defendant falsely represents the quantity of product in each of the Product's opaque
16 package. The size of each package leads reasonable consumers to believe they are purchasing a
17 package full of product when, in reality, consumers are actually receiving significantly less than what
18 is represented by the size of the package.

19 13. Even if consumers had a reasonable opportunity to review, prior to the point of sale,
20 other representations of quantity, such as net weight or serving disclosures, they did not and would not
21 have reasonably understood or expected such representations to translate to a quantity product

1 meaningfully different from the size of the package. Low income consumers, like Plaintiff, are most
2 likely to be misled by slack fill misrepresentations.⁴

3 14. Prior to the point of sale, the Product's packaging does not allow for confirmation of
4 the contents of the Product. The Product's opaque packaging prevents a consumer from observing the
5 contents before opening. Even if a reasonable consumer were to "shake" or otherwise inspect the
6 package before opening it, the reasonable consumer would not be able to discern the presence of any
7 nonfunctional slack-fill, let alone the significant amount of nonfunctional slack-fill that is present in
8 the package.

9 15. The other information that Defendant provides about the quantity of product on the
10 front and back labels of the Product does not enable reasonable consumers to form any meaningful
11 understanding about how to gauge the quantity of contents of the Product as compared to the size of
12 the package itself. For instance, the front of the Product's packaging does not have any labels that
13 would provide Plaintiff with any meaningful insight as to the amount of product to be expected, such
14 as a fill line.

15 16. Disclosures of net weight and serving sizes in ounces, pounds, or grams do not allow
16 the reasonable consumer to make any meaningful conclusions about the quantity of product contained
17 in the Products' packages that would be different from their expectation that the quantity of product is
18 commensurate with the size of the package.

19 17. Plaintiff had dual motivations for purchasing the product. First, Plaintiff is a consumer
20 rights "tester" who creates public benefit by ensuring that companies comply with their obligations
21 under California law. Second, Plaintiff was genuinely interested in consuming and enjoying the
22 product, and did so – with disappointment that the package was mostly empty.

23 18. Plaintiff's status as a dual motivation tester is both necessary and appropriate. First, it
24 is "necessary and desirable for committed individuals to bring serial litigation" to enforce and advance
25 consumer protection statutes. *See Langer v. Kiser*, 57 F.4th 1085, 1097 (9th Cir. 2023). Second,

26
27
28 ⁴ <https://www.canr.msu.edu/news/americans-pay-attention-to-food-labels-but-are-confused-by-what-information-matters> (last accessed August 2024).

1 nearly all consumers have dual motives, as there are usually multiple reasons behind their purchasing
2 decisions. *See Cordes v. Boulder Brands USA, Inc.*, 2018 WL 6714323, at *3 (C.D. Cal. 2018).

3 19. To be clear, Plaintiff would not have purchased the Product had plaintiff known that the
4 Product contained slack-fill that serves no functional or lawful purpose, and would have consumed the
5 entirety of the contents if the package was filled to plaintiff's expectations.

6 **None of the Slack-Fill Statutory Exceptions Apply to the Product**

7 20. Under applicable state law, any opaque food package is considered to be filled as to be
8 misleading if it contains nonfunctional slack-fill. Nonfunctional slack-fill is empty space within
9 packaging that is filled to less than its capacity for reasons other than provided for in the enumerated
10 slack fill exceptions.

11 21. The slack-fill in the Product's packages does not protect the contents of the packages.
12 In fact, empty space does not protect the Product.

13 22. The machines used to package the Products would not be affected if there was more
14 product added. At most, a simple recalibration of the machines would be required. Upon information
15 and belief, adjusting these machines is rather simple.

16 23. Because the packages are filled to less than half of their capacity, Defendant can
17 increase the Product's fill level significantly without affecting how the packages are sealed, or it can
18 disclose the fill-level on the outside labeling to inform consumers of the amount of product actually in
19 the package, consistent with the law.

20 24. The slack-fill present in the Product's packages is not a result of the product settling
21 during shipping and handling. Given the Product's density, shape, and composition, any settling
22 occurs immediately at the point of fill. No measurable product settling occurs during subsequent
23 shipping and handling.

24 25. The packages do not perform a specific function that necessitates the slack-fill. This
25 safe harbor would only apply if a specific function were "inherent to the nature of the food and []
26 clearly communicated to consumers." The packages do not perform a function that is inherent to the
27 nature of the food. Defendant did not communicate a specific function to consumers, making this
28 provision inapplicable.

1 26. The Product's packaging is not reusable or of any significant value to the Product
2 independent of its function to hold the product. The packages are intended to be discarded immediately
3 after the product is used.

4 27. The slack-fill present in the packages does not accommodate required labeling,
5 discourage pilfering, facilitate handling, or prevent tampering.

6 28. Defendant can easily increase the quantity of product in each package (or, alternatively,
7 decrease the size of the packages) significantly.

8 29. Because none of the safe harbor provisions apply to the Product's packaging, the
9 packages contain nonfunctional slack-fill and are, therefore, misleading as a matter of law.

10 30. Defendant's false, deceptive, and misleading label statements are unlawful under state
11 consumer protection and packaging laws.

12 31. Defendant's misleading and deceptive practices proximately caused harm to Plaintiff by
13 causing Plaintiff to spend more money than Plaintiff would have otherwise spent had Plaintiff known
14 the extent of the Product's non-functional slack-fill.

15 32. **Plaintiff brings this lawsuit as an individual action with the hope that Defendant**
16 **will accept responsibility for its actions and take all appropriate remedial measures. If**
17 **Defendant refuses, Plaintiff will amend this Complaint to assert claims on behalf of a class.**

18 **CAUSES OF ACTION**

19 **FIRST CAUSE OF ACTION**

20 **COMMON LAW FRAUD**

21 33. The elements of cause of action for California common law fraud are (a)
22 misrepresentation (false representation, concealment, or nondisclosure); (b) knowledge of falsity (or
23 "scienter"); (c) intent to induce reliance; (d) justifiable reliance; and (e) resulting damage. *See Lazar*
24 *v. Superior Court* (1996) 12 Cal.4th 631, 638.)

25 34. Each element of the cause of action for fraud is present here, as shown by the following
26 "Who, What, When, Where, and Why" summary:

- 27 a. **Who:** The false representations were made by the Defendant and the individuals
28 employed by Defendant who make packaging and labeling decisions.

- 1 b. **What:** The false representation was the representation that the package was full of
2 product, and the specific concealment was that the package was over half empty.
3 c. **When:** The misrepresentation has been made continuously through the statute of
4 limitations period, as it is made each time a package is sold – including when Plaintiff
5 purchased the product in the six months prior to filing this Complaint.
6 d. **Where:** The misrepresentation was made on Defendant’s website, marketing materials,
7 and the packaging of the product.
8 e. **Why:** Defendant made the misrepresentation to induce consumers to purchase the
9 product, to cause them to pay more for the product, and to take market share and profits
10 from its competitors.

11 35. **Knowledge:** Defendant knows that the packaging is more than half empty, knows that
12 consumers will purchase the product based upon the belief that it is full, and knows that it is deceiving
13 consumers.

14 36. **Intent to defraud:** Defendant intends for consumers to purchase the product under the
15 mistaken belief that the package is full so that Defendant can capture sales it would not have otherwise
16 received and can increase profits.

17 37. **Justifiable reliance:** Plaintiff’s reliance on the size of the package was reasonable, as
18 consumers reasonably expect that a package will be filled commensurate with its size.

19 38. **Resulting damage:** Plaintiff was damaged by paying more for a product than Plaintiff
20 would have paid and receiving less product than Plaintiff expected to receive. To be clear, Plaintiff
21 changed position in reliance upon the fraud (by purchasing the product) and was damaged by that
22 change of position (by receiving less than Plaintiff paid for and reasonably expected to receive).

23 **SECOND CAUSE OF ACTION**

24 **VIOLATION OF CALIFORNIA CONSUMERS LEGAL REMEDIES ACT**

25 **CALIFORNIA CIVIL CODE § 1750, *et seq.***

26 39. The CLRA prohibits certain “unfair methods of competition and unfair or deceptive
27 acts or practices” in connection with the sale of goods.
28

1 40. The practices described herein, specifically Defendant's packaging, advertising, and
2 sale of the Product, were intended to result and did result in the sale of the Product to the consuming
3 public and violated and continue to violate sections 1770(a)(2), 1770(a)(5), 1770(a)(7), and 1770(a)(9)
4 of the CLRA by: (1) misrepresenting the approval of the Product as compliant with 21 C.F.R. §
5 100.100 and the Sherman Law; (2) representing the Product has characteristics and quantities that it
6 does not have; (3) advertising and packaging the Product with intent not to sell it as advertised and
7 packaged; and (4) representing that the Product has been supplied in accordance with a previous
8 representation as to the quantity of product contained within each package, when it has not.

9 41. Defendant deceived Plaintiff by representing that the Product's packaging, which
10 includes significant nonfunctional slack-fill, actually conforms to federal and California slack-fill
11 regulations and statutes including the Sherman Law and 21 C.F.R. § 100.100.

12 42. Defendant packaged the Product in packages that contain significant nonfunctional
13 slack-fill and made material misrepresentations to deceive Plaintiff and all consumers.

14 43. Defendant deceived Plaintiff by misrepresenting the Product as having characteristics
15 and quantities that it does not have, e.g., that the Product is free of nonfunctional slack-fill when it is
16 not. In doing so, Defendant intentionally misrepresented and concealed material facts from Plaintiff.
17 Said misrepresentations and concealment were done with the intention of deceiving Plaintiff and
18 depriving Plaintiff of rights and money.

19 44. Defendant knew that the Product's packaging was misleading and deceptive.

20 45. Defendant's packaging of the Product was a material factor in Plaintiff's decisions to
21 purchase the Product. Based on Defendant's packaging of the Product, Plaintiff reasonably believed
22 that Plaintiff would receive more product than actually received. Had Plaintiff known the truth of the
23 matter, Plaintiff would have not have purchased the Product.

24 46. Plaintiff has suffered injury in fact and have lost money as a result of Defendant's
25 unfair and unlawful conduct. Specifically, Plaintiff paid for product never received.

26 47. Prior to filing this Complaint, Plaintiff notified Defendant of the particular alleged
27 violations of Section 1770 and demanded that Defendant correct, repair, replace, or otherwise rectify
28

1 the violation. Defendant has not fully complied with Plaintiff's request. If Defendant has not
2 complied within 30 days, Plaintiff will amend this Complaint to assert damages on behalf of a class.

3 48. Notwithstanding anything to the contrary herein, Plaintiff does not seek in excess
4 of \$75,000 in damages, exclusive of costs. The minor injunctive relief requested by Plaintiff can
5 be accomplished for less than \$25,000.

6
7 **PRAYER FOR RELIEF**

8 WHEREFORE, Plaintiff prays for judgment and relief on all causes of action as follows:

- 9 A. An order requiring Defendant to spend no more than \$25,000 to add a conspicuous "fill
10 line" to the front of the Product's packaging sold in California;
11 B. Actual, statutory, and punitive damages;
12 C. Attorneys' fees and costs; and
13 D. All other relief at law or in equity that may be just and proper.

INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

CM-010

To Plaintiffs and Others Filing First Papers. If you are filing a first paper (for example, a complaint) in a civil case, you **must** complete and file, along with your first paper, the Civil Case Cover Sheet contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check **one** box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the **primary** cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

To Parties in Rule 3.740 Collections Cases. A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than \$25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

To Parties in Complex Cases. In complex cases only, parties must also use the Civil Case Cover Sheet to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.

INSTRUCTIONS FOR HANDLING UNLIMITED CIVIL CASES

The following critical provisions of the California Rules of Court, Title 3, Division 7, as applicable in the Superior Court, are summarized for your assistance.

APPLICATION

The Division 7 Rules were effective January 1, 2007. They apply to all general civil cases.

PRIORITY OVER OTHER RULES

The Division 7 Rules shall have priority over all other Local Rules to the extent the others are inconsistent.

CHALLENGE TO ASSIGNED JUDGE

A challenge under Code of Civil Procedure Section 170.6 must be made within 15 days after notice of assignment for all purposes to a judge, or if a party has not yet appeared, within 15 days of the first appearance.

TIME STANDARDS

Cases assigned to the Independent Calendaring Courts will be subject to processing under the following time standards:

COMPLAINTS

All complaints shall be served within 60 days of filing and proof of service shall be filed within 90 days.

CROSS-COMPLAINTS

Without leave of court first being obtained, no cross-complaint may be filed by any party after their answer is filed. Cross-complaints shall be served within 30 days of the filing date and a proof of service filed within 60 days of the filing date.

STATUS CONFERENCE

A status conference will be scheduled by the assigned Independent Calendar Judge no later than 270 days after the filing of the complaint. Counsel must be fully prepared to discuss the following issues: alternative dispute resolution, bifurcation, settlement, trial date, and expert witnesses.

FINAL STATUS CONFERENCE

The Court will require the parties to attend a final status conference not more than 10 days before the scheduled trial date. All parties shall have motions in limine, bifurcation motions, statements of major evidentiary issues, dispositive motions, requested form jury instructions, special jury instructions, and special jury verdicts timely filed and served prior to the conference. These matters may be heard and resolved at this conference. At least five days before this conference, counsel must also have exchanged lists of exhibits and witnesses, and have submitted to the court a brief statement of the case to be read to the jury panel as required by Chapter Three of the Los Angeles Superior Court Rules.

SANCTIONS

The court will impose appropriate sanctions for the failure or refusal to comply with Chapter Three Rules, orders made by the Court, and time standards or deadlines established by the Court or by the Chapter Three Rules. Such sanctions may be on a party, or if appropriate, on counsel for a party.

This is not a complete delineation of the Division 7 or Chapter Three Rules, and adherence only to the above provisions is therefore not a guarantee against the imposition of sanctions under Trial Court Delay Reduction. Careful reading and compliance with the actual Chapter Rules is imperative.

Class Actions

Pursuant to Local Rule 2.3, all class actions shall be filed at the Stanley Mosk Courthouse and are randomly assigned to a complex judge at the designated complex courthouse. If the case is found not to be a class action it will be returned to an Independent Calendar Courtroom for all purposes.

***Provisionally Complex Cases**

Cases filed as provisionally complex are initially assigned to the Supervising Judge of complex litigation for determination of complex status. If the case is deemed to be complex within the meaning of California Rules of Court 3.400 et seq., it will be randomly assigned to a complex judge at the designated complex courthouse. If the case is found not to be complex, it will be returned to an Independent Calendar Courtroom for all purposes.

The parties may enter into one, two, or all three of the stipulations; however, they may not alter the stipulations as written, because the Court wants to ensure uniformity of application. These stipulations are meant to encourage cooperation between the parties and to assist in resolving issues in a manner that promotes economic case resolution and judicial efficiency.

The following organizations endorse the goal of promoting efficiency in litigation and ask that counsel consider using these stipulations as a voluntary way to promote communications and procedures among counsel and with the court to fairly resolve issues in their cases.

STIPULATION – EARLY ORGANIZATIONAL MEETING			

This stipulation is intended to encourage cooperation among the parties at an early stage in the litigation and to assist the parties in efficient case resolution.

The parties agree that:

1. The parties commit to conduct an initial conference (in-person or via teleconference or via videoconference) within 15 days from the date this stipulation is signed, *to discuss and consider whether there can be agreement on the following:*
 - a. Are motions to challenge the pleadings necessary? If the issue can be resolved by amendment as of right, or if the Court would allow leave to amend, could an amended complaint resolve most or all of the issues a demurrer might otherwise raise? If so, the parties agree to work through pleading issues so that a demurrer need only raise issues they cannot resolve. Is the issue that the defendant seeks to raise amenable to resolution on demurrer, or would some other type of motion be preferable? Could a voluntary targeted exchange of documents or information by any party cure an uncertainty in the pleadings?
 - b. Initial mutual exchanges of documents at the "core" of the litigation. (For example, in an employment case, the employment records, personnel file and documents relating to the conduct in question could be considered "core." In a personal injury case, an incident or police report, medical records, and repair or maintenance records could be considered "core.");
 - c. Exchange of names and contact information of witnesses;
 - d. Any insurance agreement that may be available to satisfy part or all of a judgment, or to indemnify or reimburse for payments made to satisfy a judgment;
 - e. Exchange of any other information that might be helpful to facilitate understanding, handling, or resolution of the case in a manner that preserves objections or privileges by agreement;
 - f. Controlling issues of law that, if resolved early, will promote efficiency and economy in other phases of the case. Also, when and how such issues can be presented to the Court;
 - g. Whether or when the case should be scheduled with a settlement officer, what discovery or court ruling on legal issues is reasonably required to make settlement discussions meaningful, and whether the parties wish to use a sitting judge or a private mediator or other options as

discussed in the "Alternative Dispute Resolution (ADR) Information Package" served with the complaint;

- h. Computation of damages, including documents, not privileged or protected from disclosure, on which such computation is based;
 - i. Whether the case is suitable for the Expedited Jury Trial procedures (see information at www.lacourt.org under "Civil" and then under "General Information").
2. The time for a defending party to respond to a complaint or cross-complaint will be extended to _____ for the complaint, and _____ for the cross-complaint, which is comprised of the 30 days to respond under Government Code § 68616(b), and the 30 days permitted by Code of Civil Procedure section 1054(a), good cause having been found by the Civil Supervising Judge due to the case management benefits provided by this Stipulation. A copy of the General Order can be found at www.lacourt.org under "Civil", click on "General Information", then click on "Voluntary Efficient Litigation Stipulations".
 3. The parties will prepare a joint report titled "Joint Status Report Pursuant to Initial Conference and Early Organizational Meeting Stipulation, and if desired, a proposed order summarizing results of their meet and confer and advising the Court of any way it may assist the parties' efficient conduct or resolution of the case. The parties shall attach the Joint Status Report to the Case Management Conference statement, and file the documents when the CMC statement is due.
 4. References to "days" mean calendar days, unless otherwise noted. If the date for performing any act pursuant to this stipulation falls on a Saturday, Sunday or Court holiday, then the time for performing that act shall be extended to the next Court day

STIPULATION – DISCOVERY RESOLUTION			

This stipulation is intended to provide a fast and informal resolution of discovery issues through limited paperwork and an informal conference with the Court to aid in the resolution of the issues.

The parties agree that:

1. Prior to the discovery cut-off in this action, no discovery motion shall be filed or heard unless the moving party first makes a written request for an Informal Discovery Conference pursuant to the terms of this stipulation.
2. At the Informal Discovery Conference the Court will consider the dispute presented by parties and determine whether it can be resolved informally. Nothing set forth herein will preclude a party from making a record at the conclusion of an Informal Discovery Conference, either orally or in writing.
3. Following a reasonable and good faith attempt at an informal resolution of each issue to be presented, a party may request an Informal Discovery Conference pursuant to the following procedures:
 - a. The party requesting the Informal Discovery Conference will:
 - i. File a Request for Informal Discovery Conference with the clerk's office on the approved form (copy attached) and deliver a courtesy, conformed copy to the assigned department;
 - ii. Include a brief summary of the dispute and specify the relief requested; and
 - iii. Serve the opposing party pursuant to any authorized or agreed method of service that ensures that the opposing party receives the Request for Informal Discovery Conference no later than the next court day following the filing.
 - b. Any Answer to a Request for Informal Discovery Conference must:
 - i. Also be filed on the approved form (copy attached);
 - ii. Include a brief summary of why the requested relief should be denied;

SHORT TITLE:	CASE NUMBER:

- iii. Be filed within two (2) court days of receipt of the Request; and
 - iv. Be served on the opposing party pursuant to any authorized or agreed upon method of service that ensures that the opposing party receives the Answer no later than the next court day following the filing.
- c. No other pleadings, including but not limited to exhibits, declarations, or attachments, will be accepted.
 - d. If the Court has not granted or denied the Request for Informal Discovery Conference within ten (10) days following the filing of the Request, then it shall be deemed to have been denied. If the Court acts on the Request, the parties will be notified whether the Request for Informal Discovery Conference has been granted or denied and, if granted, the date and time of the Informal Discovery Conference, which must be within twenty (20) days of the filing of the Request for Informal Discovery Conference.
 - e. If the conference is not held within twenty (20) days of the filing of the Request for Informal Discovery Conference, unless extended by agreement of the parties and the Court, then the Request for the Informal Discovery Conference shall be deemed to have been denied at that time.
4. If (a) the Court has denied a conference or (b) one of the time deadlines above has expired without the Court having acted or (c) the Informal Discovery Conference is concluded without resolving the dispute, then a party may file a discovery motion to address unresolved issues.
 5. The parties hereby further agree that the time for making a motion to compel or other discovery motion is tolled from the date of filing of the Request for Informal Discovery Conference until (a) the request is denied or deemed denied or (b) twenty (20) days after the filing of the Request for Informal Discovery Conference, whichever is earlier, unless extended by Order of the Court.
- It is the understanding and intent of the parties that this stipulation shall, for each discovery dispute to which it applies, constitute a writing memorializing a "specific later date to which the propounding [or demanding or requesting] party and the responding party have agreed in writing," within the meaning of Code Civil Procedure sections 2030.300(c), 2031.320(c), and 2033.290(c).
6. Nothing herein will preclude any party from applying *ex parte* for appropriate relief, including an order shortening time for a motion to be heard concerning discovery.
 7. Any party may terminate this stipulation by giving twenty-one (21) days notice of intent to terminate the stipulation.
 8. References to "days" mean calendar days, unless otherwise noted. If the date for performing any act pursuant to this stipulation falls on a Saturday, Sunday or Court holiday, then the time for performing that act shall be extended to the next Court day.

LOS ANGELES SUPERIOR COURT

JOHN A. CLARKE, CLERK

BY NANCY NAVARRO, DEPUTY

**SUPERIOR COURT OF THE STATE OF CALIFORNIA
FOR THE COUNTY OF LOS ANGELES**

General Order Re)	ORDER PURSUANT TO CCP 1054(a),
Use of Voluntary Efficient Litigation)	EXTENDING TIME TO RESPOND BY
Stipulations)	30 DAYS WHEN PARTIES AGREE
)	TO EARLY ORGANIZATIONAL
)	MEETING STIPULATION

Whereas the Los Angeles Superior Court and the Executive Committee of the Litigation Section of the Los Angeles County Bar Association have cooperated in drafting "Voluntary Efficient Litigation Stipulations" and in proposing the stipulations for use in general jurisdiction civil litigation in Los Angeles County;

Whereas the Los Angeles County Bar Association Litigation Section; the Los Angeles County Bar Association Labor and Employment Law Section; the Consumer Attorneys Association of Los Angeles; the Association of Southern California Defense Counsel; the Association of Business Trial Lawyers of Los Angeles; and the California Employment Lawyers Association all "endorse the goal of promoting efficiency in litigation, and ask that counsel consider using these stipulations as a voluntary way to promote communications and procedures among counsel and with the court to fairly resolve issues in their cases;"

1 Whereas the Early Organizational Meeting Stipulation is intended to encourage
2 cooperation among the parties at an early stage in litigation in order to achieve
3 litigation efficiencies;

4 Whereas it is intended that use of the Early Organizational Meeting Stipulation
5 will promote economic case resolution and judicial efficiency;

6 Whereas, in order to promote a meaningful discussion of pleading issues at the
7 Early Organizational Meeting and potentially to reduce the need for motions to
8 challenge the pleadings, it is necessary to allow additional time to conduct the Early
9 Organizational Meeting before the time to respond to a complaint or cross complaint
10 has expired;
11

12 Whereas Code of Civil Procedure section 1054(a) allows a judge of the court in
13 which an action is pending to extend for not more than 30 days the time to respond to
14 a pleading "upon good cause shown";
15

16 Now, therefore, this Court hereby finds that there is good cause to extend for 30
17 days the time to respond to a complaint or to a cross complaint in any action in which
18 the parties have entered into the Early Organizational Meeting Stipulation. This finding
19 of good cause is based on the anticipated judicial efficiency and benefits of economic
20 case resolution that the Early Organizational Meeting Stipulation is intended to
21 promote.
22

23 IT IS HEREBY ORDERED that, in any case in which the parties have entered
24 into an Early Organizational Meeting Stipulation, the time for a defending party to
25 respond to a complaint or cross complaint shall be extended by the 30 days permitted
26

ALTERNATIVE DISPUTE RESOLUTION (ADR) INFORMATION PACKAGE

THE PLAINTIFF MUST SERVE THIS ADR INFORMATION PACKAGE ON EACH PARTY WITH THE COMPLAINT.

CROSS-COMPLAINANTS must serve this ADR Information Package on any new parties named to the action with the cross-complaint.

What is ADR?

ADR helps people find solutions to their legal disputes without going to trial. The main types of ADR are negotiation, mediation, arbitration, and settlement conferences. When ADR is done by phone, videoconference or computer, it may be called Online Dispute Resolution (ODR). These alternatives to litigation and trial are described below.

Advantages of ADR

- **Saves Time:** ADR is faster than going to trial.
- **Saves Money:** Parties can save on court costs, attorney's fees, and witness fees.
- **Keeps Control** (with the parties): Parties choose their ADR process and provider for voluntary ADR.
- **Reduces Stress/Protects Privacy:** ADR is done outside the courtroom, in private offices, by phone or online.

Disadvantages of ADR

- **Costs:** If the parties do not resolve their dispute, they may have to pay for ADR, litigation, and trial.
- **No Public Trial:** ADR does not provide a public trial or decision by a judge or jury.

Main Types of ADR

1. **Negotiation:** Parties often talk with each other in person, or by phone or online about resolving their case with a settlement agreement instead of a trial. If the parties have lawyers, they will negotiate for their clients.
2. **Mediation:** In mediation, a neutral mediator listens to each person's concerns, helps them evaluate the strengths and weaknesses of their case, and works with them to try to create a settlement agreement that is acceptable to all. Mediators do not decide the outcome. Parties may go to trial if they decide not to settle.

Mediation may be appropriate when the parties

- want to work out a solution but need help from a neutral person.
- have communication problems or strong emotions that interfere with resolution.

Mediation may not be appropriate when the parties

- want a public trial and want a judge or jury to decide the outcome.
- lack equal bargaining power or have a history of physical/emotional abuse.

How to Arrange Mediation in Los Angeles County

Mediation for civil cases is voluntary and parties may select any mediator they wish. Options include:

a. The Civil Mediation Vendor Resource List

If all parties in an active civil case agree to mediation, they may contact these organizations to request a "Resource List Mediation" for mediation at reduced cost or no cost (for selected cases).

- **ADR Services, Inc.** Assistant Case Manager Janet Solis, janet@adrservices.com
(213) 683-1600
- **Mediation Center of Los Angeles Program Manager** info@mediationLA.org
(833) 476-9145

These organizations cannot accept every case and they may decline cases at their discretion. They may offer online mediation by video conference for cases they accept. Before contacting these organizations, review important information and FAQs at www.lacourt.org/ADR.Res.List

NOTE: The Civil Mediation Vendor Resource List program does not accept family law, probate, or small claims cases.

b. Los Angeles County Dispute Resolution Programs. Los Angeles County-funded agencies provide mediation services on the day of hearings in small claims, unlawful detainer (eviction), civil harassment, and limited civil (collections and non-collection) cases.

<https://dcba.lacounty.gov/countywidedrp/>

Online Dispute Resolution (ODR). Parties in small claims and unlawful detainer (eviction) cases should carefully review the Notice and other information they may receive about (ODR) requirements for their case. <https://my.lacourt.org/odr/>

c. Mediators and ADR and Bar organizations that provide mediation may be found on the internet.

3. Arbitration: Arbitration is less formal than trial, but like trial, the parties present evidence and arguments to the person who decides the outcome. In "binding" arbitration, the arbitrator's decision is final; there is no right to trial. In "nonbinding" arbitration, any party can request a trial after the arbitrator's decision. For more information about arbitration, visit <https://www.courts.ca.gov/programs-adr.htm>

4. Mandatory Settlement Conferences (MSC): MSCs are ordered by the Court and are often held close to the trial date or on the day of trial. The parties and their attorneys meet with a judge or settlement officer who does not make a decision but who instead assists the parties in evaluating the strengths and weaknesses of the case and in negotiating a settlement.
